

A Practical Manual of Diabetic Retinopathy Management

This practical clinical manual covers the diagnosis, treatment and long-term management of eye problems in people with diabetes, with a strong emphasis on the importance of early diagnosis. Edited and authored by world-renowned experts from leading centres, *A Practical Manual of Diabetic Retinopathy Management* presents evidence-based guidance relevant for a global audience.

This book is a richly illustrated manual on the management of all stages of diabetic retinopathy, ideal for diabetologists, general endocrinologists who see patients with diabetes, retinal screeners, ophthalmologists and any other healthcare professional involved in the care and management of diabetes.
