

The 2024 BARS/Mainline Instruments Photography Competition

Categories:

There are two categories that you can enter:

Clinical - A colour photograph that clinically illustrates a particular pathology well and a case study description on what the pathology is, VA, DR Grade and Outcome.

Artistic - Use a clinical photograph and create an artistic image (No paintings/drawings) based upon eye screening.

How to enter: Email your image along with the entry form found on our website to:

photos@eyescreening.org.uk

Prizes: A £100 Amazon Voucher for the winners of each category and £50 Amazon Voucher for the runners-up.

Rules:

Entrants must be a member of BARS but do not need to attend the conference. A maximum of 2 images allowed in total: 1 in each category or 2 artistic or 2 clinical. All images must be supplied electronically via email in JPEG format no larger than 5MB, along with a completed and signed entry form from your programme manager.

Permission must be obtained from the patient to enter the competition. All clinical images must come with a case study description as requested.

No OCT's, FFA/ICG, Wide-Field, Slit Lamp, Multi-colour, Infra-red or Autofluorescence images allowed.

Queries: Please use email opposite.

GOOD LUCK!

Closing date: 1st September 2024
